EXTENDED HEALTH CARE PLAN FOR CERTAIN OTHER EMPLOYEES

FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2000

AUDITOR'S REPORT

To the Members of the Legislative Assembly of Saskatchewan

I have audited the statement of financial position of the Extended Health Care Plan For Certain Other Employees as at December 31, 2000 and the statements of operations and net assets, and cash flows for the year then ended. The Plan's management is responsible for preparing these financial statements for Treasury Board's approval. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Plan as at December 31, 2000 and the results of its operations and its cash flows for the year then ended in accordance with generally accepted accounting principles.

EXTENDED HEALTH CARE PLAN FOR CERTAIN OTHER EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2000

1. Description of the Plan

The Extended Health Care Plan For Certain Other Employees (Plan) was established on January 1, 1997 pursuant to subsection 64(2) of *The Financial Administration Act, 1993*. The Plan provides extended health care benefits to certain out-of-scope employees of the Government of Saskatchewan.

The Plan is funded from employer contributions, whose participation in the Plan has been approved by the Lieutenant Governor in Council. The contribution rate is 1% of regular pay as approved by the Minister of Finance.

The Plan pays premiums to Group Medical Services who provide insured extended health coverage as outlined in an agreement. The Plan's risk is limited to the payment of its premiums. The Government through the Minister of Finance entered into an agreement with Group Medical Services for a period of 2 years until December 31, 2001.

2. Significant Accounting Policies

These financial statements are prepared in accordance with generally accepted accounting principles.

3. Due from General Revenue Fund

The Plan's bank account is included in the Consolidated Offset Bank Concentration (COBC) arrangement for the Government of Saskatchewan. The Plan's earned interest is calculated and paid by the General Revenue Fund on a quarterly basis into the Plan's bank account using the Government's thirty day borrowing rate, and the fund's average daily bank account balance. The Government's average thirty day borrowing rate in 2000 was 5.50% (1999 - 4.78%).

4. Advance from General Revenue Fund

The General Revenue Fund advanced the Plan monies when the Plan began operations. The advance is interest-free with no fixed maturity date.

5. Financial Instruments

The Plan's financial instruments include Due from General Revenue Fund, employer contributions receivable, accounts payable and advance from General Revenue Fund. Due to the immediate or short-term nature, the fair value of these instruments approximates carrying value.

6. Related Party Transactions

Included in these financial statements are transactions with various Saskatchewan Crown corporations, departments, agencies, boards and commissions related to the Plan by virtue of common control or significant influence by the Government of Saskatchewan (collectively referred to

as "related parties"). Related party transactions with the Plan are in the normal course of operations and are recorded at the agreed upon exchange amounts charged by these organizations.

All employer contributions and employer contribution receivables are from related parties.

The Plan is managed by the Public Employees Benefits Agency. The PEBA Revolving Fund charged the Plan $26,423 (1999 - $1,192) for administration.

The Plan also receives amounts from the Legislative Assembly Office, Judges, Human Rights Commission, Prairie Diagnostic Services, and other caucus groups and makes payments to Canada Life Assurance Company and Group Medical Services on their behalf. During the year, the Plan received $228,751 (1999 - $136,018) from the General Revenue Fund for the above groups and paid $211,218 (1999 - $115,520) to Canada Life Assurance Company and Group Medical Services. The balance of $82,648 (1999 - $65,115) is shown as an accounts payable on the statement of financial position. These receipts and payments are not considered part of the Plan's operations and are not included in the statement of operations.

Other transactions with related parties and amounts due to/from them are described separately in the financial statements and notes thereto.

7. Budget

The Public Employees Benefits Agency prepares and approves the budget.
